Who Are We?

Here at Inside The Box, we are committed to creating and delivering only the most unique and special giftboxes for every occasion. We don't believe in just shipping boxes, we believe in shipping meaning in every box. Our customized boxes have reached a recent milestone of 10,000 sales here in the US! Our boxes quite literally have your name on them!

Box

Wedding Boxes

Our wedding boxes are a perfect gift for any pair of newlyweds! They can be filled with any of our customizable items as well as a celebratory bottle of the couples favourite wine or liquor! This giftbox can even be saved for the first, fifth, or any anniversary for the couple making it an extra special gift down the road!

Birthday Boxes

Our birthday boxes are the perfect way to make this special day even more sweet! We even offer different themed sets such as spa sets, snack sets, and any other theme that you can think of! Our boxes are decorated entirely to theme whether you are celebrating a golden birthday or even a 5th princess party!

Graduation Boxes

Of course the special grad in your life deserves to be celebrated for all of their hard work and achievements! Our boxes are customizable down to their previous school, their school colors, their future school or job, and their graduation year!
